Clerk of Courts,

I'm writing to this courthouse from information I received from a federal secretary/para legal at #903-531-9233 in regards to the Uvalde (class-action) law suit in the shooting deaths at Robb Elementary in TX. (\$27 billion)

I'm writing into this court for a motion to intervene with information/evidence I've given to Uvalde Sheriff/Police Dept., however the general file # I requested, with the report I sent to Uvalde County Courthouse was returned to sender.

To intervene I need to know the amount of damages claimed & what the suit is for. I also need to receive the law firm or firm's addresses listed so I may serve them & the court. Please note > the federal gov's legal office has helped give me information to reach this courthouse.

If the court could write me back with the law firm(s) addresses listed/their business phone #'s. My motion to intervene, can then be served on all parties > ~~scribbled out~~
